## ART DIRECTION FOR ADVERTISING CREATIVES

Alexandra's session is another D&AD course where you learn stuff by doing stuff so expect individual and group exercises with plenty of constructive feedback. Alexandra will encourage your ability to enhance advertising ideas through innovative art direction. You will gain a deep understanding of art direction and how important creating strong brand 'looks' are for both print and digital media. Then there's what Alexandra calls 'practice to be perfect', mastering visual balance and composition, adopting the right tone and creating an appropriate execution.

—

She will leave you with a deeper understanding of disciplines related to advertising and art direction such as illustration, graphic design, photography and typography. More than anything, Alexandra will give you feedback on work she sets during the course of the session and advice on how it might be improved.

---
