# Usage

If you've received permission to use our logo, follow these guidelines.

## Full-color logo on white

We'll usually ask you to use the full-color version of our logo on a white background.

## Clear space

The amount of clear space around our logo should be equal to or greater than the height of the "G" in Google.

## Minimum size

The minimum size for screen application of our logo is 24 dp in height. In print, it's 0.125 in/3.1 mm in height.
